RACs, quick turnaround, any circumstances where a family unit was separated, and if so, what were the circumstances?

Tatum would like case examples of each:

Topic of the attached:

Separating Family Units - Human Smuggling / Human Trafficking

Case Examples:

- Unclear Family Relationship - the clearest example is when we are simply unable to confirm the relationship between an adult and child. Smugglers often encourage individuals to destroy their documents prior to entry.
- Human Smuggling – When the parent is charged with a serious crime or a felony, such as human smuggling, we would detain the parent in an appropriate, secure detection facility, separate from the child.
- Human Trafficking – We also separate a parent and child if we suspect human trafficking. There have been numerous intelligence reports and cases where kids have been used and trafficked by unrelated adults in an effort to avoid detention.

If we just get case numbers by noon, that will work and get updated ES by COB. Thanks

In preparation for S1's hearing next week, I want to develop a good narrative (supported by facts and cases) on the separating issue. We need to think strategically of the arguments from the other side and position S1 accordingly. Attached is a quick first hit of her public messaging on this topic. Please see my comments and edits in the margins. Please funnel your input back to (b)(6);(b)(7)(C) – would like to have this wrapped up by Monday COB.
